MERITT RESIGNS

John Craig Appointed By Council To Take Place Of Former Member

Councilman B. L. Meritt, who has been absent from the board of councilmen for the past several months, submitted his resignation at Monday night's session of the council.

In a letter addressed to fellow members of the board Meritt stated that he was a civilian employe of an Army Engineers unit and that he and his family were leaving Daly City. Following the reading of the letter, the council unanimously accepted Meritt's resignation.

Councilman Dennis then made a motion to appoint John Craig, a Daly City fireman, to take Meritt's place on the council. The motion was unanimously passed — making Craig a member of the board of councilmen.

City Engineer Klassen brought a map of the new Edgewood Terrace sub-division. The map is to be adopted subject to restrictions and conditions in the original deed for these lots being filed and adopted with the map. Edgewood Terrace is to be the most highly restricted district in Daly City.

Restrictions in the deed call for occupancy by white Caucasians only and only household pets are to be kept.

Several citizens expressed concern as to speeding and reckless driving on Mission and San Jose avenues.

The matter of the Daly City ambulance was given a somewhat heated discussion following the death Monday morning of Charles Wright, a victim of a hit-run driver Saturday.

Ed Cavagnaro, a former councilman who was at the scene of the accident said: "It took fully 30 minutes for the ambulance, parked only 200 feet from the scene of the accident, to get to the spot where the injured man was and get under way to the hospital."

Indignation was expressed by several concerning this matter and demands were made that something be done about it.

Claims and bills were ordered paid and a motion for adjournment was accepted.

Firemen Plan Ticket Sale

Fire Chief Chesney announces that tickets for the benefit dance to be held by the fire department for their "widows and orphans" fund are printed and ready for distribution to members at the coming Monday night meeting.

A house to house canvass will be made by uniformed members of the fire department to help sell the tickets.

The ball, an annual affair, will be held at the completely renovated Lovchen Gardens. Music will be furnished by Ozzie and his band.

Mrs. Spencer Tracy To Speak March 5

Mrs. Spencer Tracy, president of the John Tracy Clinic for Deaf Children of Hollywood, will speak on "Parental Education of the Physically Handicapped Child," Monday, March 5, 8 p. m. at the Kloss hall, Congregational church, Tilton and San Mateo drives, San Mateo.

The clinic board of directors of the John Tracy clinic includes: Walter E. Disney, Leon S. McCarthy, Mrs. Orville Caldwell, and Mrs. Spencer Tracy.

Mrs. Tracy organizes a small group of mothers who work and help at the clinic, at which courses are held in applied child psychology for adult education. No child is accepted without his mother. Parents of the physically handicapped children can exchange ideas and it is important that they have cooperation with the teacher.

Parents of spastic children feel a keen disappointment in the lack of public interest, but much can be done in San Mateo county to aid the handicapped.

The public is invited to attend the lecture to be given by Mrs. Tracy.

Need Furniture

The student committee of the Daly City Teen Age center is still waiting hopefully for furniture to be donated by you to complete the long-hoped-for lounge downstairs. If you can donate a couch, chairs, tables, lamps, and especially a clock, please call DElaware 4521 or DElaware 1994.

The center will be opened this Friday evening and students will please note the new paint job and clean-up done by the committee last week.

Sea Scouts To Meet Friday Night at 7:30

Mel Battye, skipper of the Sea Scouts, announces that the boys will meet Friday night at the corner of Mission and Hillcrest. All boys who wish to re-register or to join the ship are requested to arrive by 7:30 p. m.

The new 24-foot motor launch should be ready to be launched soon and many over-night and summer holiday cruises are being planned.

While waiting for new and adequate quarters it was necessary to store some of the Sea Scout equipment as it could not be placed in a temporary meeting place. The boys are anxious to get under "full sail" again soon, especially for their summer cruises.

Later Trips and Faster Running Time Announced For Interurban Service

Effective Sunday, March 4, through interurban service from Fifth and Market streets to Third and Main streets in San Mateo will be provided by Municipal railway on a service frequency of 20 minutes, it was announced today by E. G. Cahill, Manager of Utilities.

At the same time, it was announced that the line (No. 40) will be rerouted over Valencia street from Fourteenth to Twenty-eighth streets, instead of Mission street as formerly. It was estimated that the change would reduce traveling time by from six to eight minutes because of lesser congestion. The move will establish a running time of one hour for the 20-mile trip. Through fare from Fifth and Mission to the San Mateo terminal will remain unchanged at 25c.

Service frequency will be every 20 minutes to 8 p. m. and every 30 minutes thereafter to midnight. On week days and Saturdays, the first car will leave San Francisco at 6:20 a. m. and the last at 12 midnight. The first car will leave San Mateo at 6 a. m. and the last through car at 10:45 p. m. Thereafter, every 30 minutes, from 11:04 p. m. to 1:04 a. m. cars will leave San Mateo for Daly City and connect there with cars to San Francisco.

CHAMPS Jeff 130's Win P. A. L. Play-offs

The first of a series of three games for the P. A. L. championship of the 130's was played at Jefferson on Wednesday, February 21. Jeff came out the winner by a score of 26 to 14. The following Friday evening at the San Jose State college the second play-off was held against Lincoln high and again the Jeff 130's won by a score of 20-16, although the score at the half was Lincoln 8, Jefferson 6.

This is the first time in school history that Jefferson has taken the P. A. L. championship in both the 120's and 130's divisions.

Players for the February 23 game were: Ray Chelone, forward; Ed Denning, forward; Art Valverde, center; Don Welsh, guard; and captain for the season; George Perada, guard; Harold Tikkanen, substitute.

Two members of the 130's were chosen for the All Northern P. A. L. 130 first team: Chelone, forward and Valverde, center. Denning, forward, and Welsh, guard were named on the second team.

Chelone, Denning, Valverde, Welsh, and Perada were the outstanding players of the season. Lincoln's coach made a statement that "Jefferson was the best team they had played the whole season."

Jeff's team, according to San Jose sports writers, was "a very fast moving and smooth quintet."

Valverde, Welsh, Denning, and Perada played their last game, and the only returning player next year will be Chelone.

Congratulations go not only to the team, but to Coach Elman Rose who helped a lot in producing such a winning organization.

News From Jeff District Schools

AT JEFFERSON

This week the Jefferson Eighth grade held a class election in which Paul Willbanks was elected class president; Estelle Parodi, secretary, and Jean Puccinelli, treasurer.

Friday afternoon, members of the class that will graduate in June and those who recently graduated, met in the large library room for a little reunion. For half an hour they talked, drank coca-colas and enjoyed looking over the many pictures they had taken at school just before graduation.

As part of their study of the Conservation of Natural Resources the seventh grade held an exhibit of minerals. Everyone who could do so, brought specimens. The following minerals were exhibited: gold, copper, chromium, iron and steel, asbestos, petroleum and its by-products, coal and its by-products, aluminum, sulphur and nickel. Each member of the class gave a report upon the characteristics and uses of his mineral contribution and where it was mined.

A Washington observance program was held in the seventh grade room in commemoration of the 113th birthday of our first president. Many fine pictures showing Washington in his various important roles at different periods of his life were displayed to the class.

The fifth grade has been following the war closely for six months in their daily Current Events period. They are learning about our neighbors in Europe, Asia and the Pacific Islands, through daily map study. They have traced with ever increasing interest the progress of our troops and ships from New Guinea to Luzon with their final destination—Tokio.

AT WOODROW

Interesting rock specimens, showing varied types of rock formation, have been brought to class by pupils. El Para Cutin, the new volcano in Mexico has been of recent interest since its repeated eruption shows how mountains are formed.

The boys and girls of the sixth grade recognized the early and primitive ways of farming the Chinese used in the film, "Farmers of Formosa." They are studying the first farmers and their methods of farming.

The boys and girls of Room 21 are starting a new unit on "Pioneers." They are very interested in it particularly because the state of California was developed by pioneers and gold-seekers. They are also learning about a new song, "On the Banks of the Sacramento" which is about the days of '49.

The boys and girls in the low fourth are mounting pictures of the dominant California Indians. These pictures when completed will be displayed on the walls of the class room.

The children in room 15 saw a very interesting film called "First Americans." This film showed the various Indian tribes of America and how they lived. The children learned that the Indians built their homes with the materials which were available.

AT CROCKER

Last week the pupils of Room 3 enjoyed a film entitled "Farmers of Formosa." It depicted the ancient methods of farming which are still in use today.

Tuesday the pupils of Room 4 enjoyed the interesting film "Old and New Kashmir."

The pupils of Room 6 were shown an interesting film "Trout for Tomorrow," during a recent social period. This film correlated with the unit on Natural Resources and How to Conserve Them.

Troop No. 2

Girl Scout Troop No. 2 enjoyed a hike on Thursday, February 22, to Thornton's beach. The troop was accompanied by Mrs. Louise Buttle, assistant leader.

KEEP YOUR
RED CROSS
AT HIS SIDE!

This year, the appeal for funds is the most critically important in the history of the American Red Cross. If you've got a man at war...if you know a man in service...you'll know why we must keep the Red Cross at his side.

THIS IS YOUR WAR: A few years back they were just boys...today they are your fighting men! Homesick men. Lonely men. Wounded men. They all need the helping hand of the Red Cross.

ASK THE BOYS: Our soldiers and sailors almost worship the Red Cross for work done by field directors and home service workers.

ASK YOURSELF: Am I giving all I can to help save lives or bring cheer and comfort. Open wide your heart and your pocketbook now.

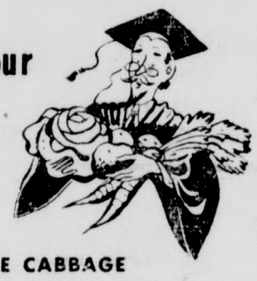
How to add glamour to cabbage, onions, carrots and potatoes . . .



FRENCH STYLE CABBAGE

Combine cooked chopped cabbage, small amount of milk and a beaten egg. Brown in a solid cake in a little hot shortening or drippings in a frying pan

COUNTRY STYLE SMOTHERED CABBAGE

Cook chopped cabbage in drippings with salt, pepper and small amount of milk until tender, stirring occasionally to prevent burning.

QUICK FRENCH ONION SOUP

Cook sliced onions in a small amount of shortening or drippings until limp but not brown. Add about 1 cup water and 1 or 2 chicken or beef bouillon cubes per serving; salt and pepper to taste. Serve with cheese toast or grated cheese sprinkled on top of each bowl of soup.

CARROTS LYONNAISE

Brown sliced cooked carrots, a little chopped onion, salt and pepper in hot butter or shortening. (Cooked the same as Lyonnaise Potatoes.)

TOASTED BAKED POTATOES

Pare potatoes, brush with melted drippings. Roll potatoes in mixture of crumbs, salt and pepper, then in beaten egg, then again in the crumb mixture. Bake in a covered casserole in a moderately hot oven (400° F.) for about 1 hour or until done.

BAKED MASHED SQUASH

Steam unpeeled pieces of winter squash until tender, scrape from shell, mash, season with salt, pepper and add enough milk to make the same consistency as mashed potatoes. Put into a baking dish, dot with butter or margarine, sprinkle with brown sugar and chopped nuts, if desired. Bake in a moderate oven (350° F.) until heated through and browned on top. This is a good way to use leftover squash or plan to cook enough at one time to serve the second time in this way

Court of Honor Scheduled Mar. 15

Joseph Powers, district commissioner of the suburban district area, is pleased to report favorable progress in regard to the forthcoming sectional Court of Honor which is to take place at Jefferson Union High school auditorium Thursday evening, March 15 at 8 p. m.

The suburban district of boy scouts includes Bayshore City, Brisbane, Daly City, Colma and Lawndale.

The public is cordially invited and the Boy Scouts anticipate a large gathering as they have not had such an affair for a number of years.

Bayshore City has started a new troop which will be called Troop No. 145, sponsored by the Bayshore Sanitary board. L. R. Harkness, 168 Oriente street, is scoutmaster.

NEW BABIES

Congratulations are in order for Mr. and Mrs. Alev J. Medvedeff, the parents of a daughter born February 5; Mr. and Mrs. Kenneth D. Mott, whose son was born February 15 and Mr. and Mrs. Harold D. McKenzie, whose son was born February 15.

Girl Scout Leaders Met February 26

The joint meeting of the Daly-City-Colma Girl Scout Leaders' Association and Council was called to order by Muriele Pabst, president of the leaders association, Monday, February 26 at 8 p. m. at the home of Mrs. Cecelia Hale, 599 Crocker avenue.

Mrs. Stella Jensen, commissioner for Daly City-Colma Girl Scout council discussed the budget and its relation to the individual troops and said that the troops should all be self-supporting and that any expensive equipment such as tools for various crafts that the council might purchase, would be available to all the troops in the area. She also asked that an estimate of the amount of furnishing necessary for the various troop meeting places be presented to the council for approval before any furnishings are purchased.

Mrs. Jensen extended an invitation from Mrs. Sweet, commissioner of San Mateo-Burlingame council, to leaders in this area to attend any of their training committee meetings.

An invitation from the Boy Scouts of America to all Girl Scout Leaders and Council members of the Daly City-Colma area to attend a program at Jefferson Union High school was also extended.

Mrs. Cora Oberg, camp director, spoke on camping for the girl scouts this summer. The date for camp has been set from July 28 to August 4 and all scouts and leaders who wish to attend camp must have a physical examination a week before leaving for camp.

Monte Toyon in the Santa Cruz mountains has been chosen as the camp site for this summer. The approximate cost for each girl will be $12 per week. This will include transportation to and from camp, sleeping accommodations, food and recreation. All girls who decide to sleep outdoors must either have a sleeping bag or canvas to put on the ground and their own blankets.

Reports of various chairmen were read, including that of troop organization, whose report included the fact that at least two new Brownie packs and two or three new Scout troops are being organized and leaders are badly needed for some of these new groups.

After the meeting refreshments were served by the hostess, Mrs. Cecelia Hale.

The next Leaders Association meeting will be held Monday, March 26, 8 p. m. at the Recreation hall, 101 Parkview avenue.

The next council meeting will be held Tuesday, April 6, 8 p. m. at the home of Mrs. Janet Delucchi, 245 Oliver street.
